PATHOLOGY

hope, healing and recovery

Welcome to Harbor Speech Pathology! We are happy to assist you with any questions you may have. Please take a few moments to read the following information.

Insurance: We accept most major insurance plans. As a courtesy to you, we will call your insurance company to verify your coverage for therapy in our office. Benefits quoted by an insurance representative are not a guarantee of payment and at times, can be quoted incorrectly. We encourage you to call your insurance company prior to your first appointment to verify that you are covered for therapy in our office.

Evaluation: Depending on age and abilities, we spend between 30 minutes and 1 hour with patients for the first appointment to determine the treatment plan and present levels of functioning. The evaluation generally involves a detailed intake, a speech and language, cognitive, voice or swallow assessment, goals and objectives to target if needed. Please understand that the unpaid balance is your responsibility.

Treatment: We are able to accommodate our patients with appointments times from 9:00 a.m. to 5:00 p.m., Monday through Thursday. We do our best to find a regular appointment time (weekly or bi-weekly, if desired) for each patient with one of our therapists.

Cost of Supplies: Occasionally, with your consent, we will order supplies to be used in your therapy sessions and at home. In the case that your insurance company does not cover these expenses, you will be responsible for the bill.

Financial Policy: Insurance co-pays are due at time of service. It is the policy of our office to bill all claims to your insurance company as a courtesy to you. The responsibility for payment of your account remains with you at all times, including closed or rejected Labor and Industries claims. **Your insurance policy is a contract between you and the insurance company.** In many instances your insurance will cover only a portion of the charges. You should be aware that you are responsible for the balance of your bill. If your claim is denied, you will be responsible for the entire charge. If no insurance is available, private payment is due at the time of service. We accept personal checks, all major credit cards, and cash payments.

Referrals/Prescriptions: It is Harbor Speech Pathology's policy to have a referral or prescription on file for all patients, regardless of your insurance company's requirements. It is your responsibility to obtain one from your primary care physician and make sure we have it at the time of service.

I HEREBY AGREE TO FULL RESPONSIBILITY FOR ALL EXPENSES INCURRED BY OR IN THE ACCOUNT OF

____.

I AUTHORIZE MY INSURANCE COMPANY TO PAY DIRECTLY TO HARBOR SPEECH PATHOLOGY FOR SERVICES RENDERED. I AGREE THAT I WILL PAY ANY REMAINING BALANCE NO LATER THAN 30 DAYS FOLLOWING THE INSURANCE PAYMENT.

Cancellation Policy

Dear Valued Patient,

We realize that coming to us for treatment requires a substantial investment in time on your part.

We have adequate staff on hand to allow 30-60 minutes for each appointment. This does mean that if you cancel an appointment without adequate notice, we may not be able to fill your appointment time. If you arrive late for your appointment you will miss part of your treatment for that day.

We charge a small fee {$50.00} if an appointment is canceled without 24-hour notice. This charge is NOT covered by insurance and will be your direct responsibility. This is much less than the value of an appointment. It is not intended to be punitive but rather to partly offset the cost of paying the staff on hand for the time set aside for you. If a patient misses three appointments without proper cancellation, services may be terminated.

Thank you for your understanding with our policy as we provide you with quality services.

Sincerely,

Channa Beckman, M.A., CCC-SLP / CBIS
Harbor Speech Pathology

I have read and understand Harbor Speech Pathology's cancellation policy.
